

I'm good at
maths

My friends
think I'm
funny

I'm rubbish
at drawing

I like coming
to school

I'm scared
of dogs

I enjoy
reading

I'm kind to
other people

I tell funny
jokes

I find maths
really
difficult

My favourite
colour is blue

I'm fast at
running

I hate PE
lessons

Other people
like me

I'm really
good at
reading

I work hard
at school

I would
rather stay
at home
than come to
school
